File No.: 11-12015/1/2021-COMP - DGS (Comp. No.: 6374)

Date: 28.07.2025

CIRCULAR No. 33 of 2025

Subject: User Acceptance Testing (UAT) of the New Developed Directorate General of Shipping Website.

The Directorate General of Shipping (DG Shipping) is pleased to announce the completion of the design and development of its newly revamped official website, aimed at enhancing user experience, accessibility, and transparency. The new website has been developed in line with the Guidelines for Indian Government Websites (GIGW) 3.0, ensuring compliance with modern web standards, cybersecurity norms, and improved accessibility for all users. One of the key highlights of the new portal is its enhanced search functionality, allowing users to seamlessly retrieve information through intelligent filters and quick navigation tools. The website also features a modern and responsive interface for better engagement across devices.

2. The structure and content of the new website have been developed based on the inputs and materials submitted by respective branches, sections, and wings of the Directorate. Every effort has been made to ensure that the information hosted is relevant, up-to-date, and presented in a user-friendly format.

3. At present, the website has entered the User Acceptance Testing (UAT) phase. The UAT period will be from 28th July to 03rd August 2025. During this period, the website is accessible to all stakeholders, including maritime training institutes, seafarers, ship owners, recruitment agencies, examination centres, and other maritime service providers, for review and feedback.

The UAT version of the website can be accessed at: <https://beta-immortal.com/>

Handwritten signature and date: 28 July 25

4. All stakeholders are requested to carefully review the website and provide their feedback, suggestions, or compliance remarks related to the content, layout, functionality, or accessibility. Inputs may be submitted via email at dgship-dgs@nic.in or through the designated feedback form linked on the UAT site.

5. The last date for submission of feedback is 03rd August 2025 (by 5:00 PM). Timely submission is crucial as the new website is scheduled for official launch on 7th August 2025 during the IT Conclave.

(Deependra Singh Bisen)
Deputy Director General of Shipping
Directorate General of Shipping

To,

- i. EAs of DG Secretariat
