DGS Circular No. 05 of 2022 [ EAC Branch (Engineering) ]	
File No.13-11/5/2021-ENGG - DGS	Date: 18 <sup>th</sup> February, 2022
Subject: Corrigendum to DGS (EAC branch) circular No. 02 of 2022 dated 31.01.2022 on mandatory E-Learning course.	

- Reference is invited to para 13 (iii) and para 13 (vii) of DGS (EAC branch) circular No. 02 of 2022 dated 31.01.2022. The referred paras requires automatic forwarding of E-Learning course completion certificate by the system to the seafarers profile and uploading the same by seafarers while applying for assessment respectively.
- Since the E-learning course completion details will be automatically uploaded in the seafarers' profile by the e-governance system and there will not be any certificate generation, it has been decided by DGS that there is no need for seafarers to upload the E-learning course documents/details while applying for assessment.
- Due to the above changes, the following amendments are now made to para 13(iii) and para 13(vii):  
Para 13 (iii) is to be read as "The E-Learning Course enrolment date and completion date shall be forwarded automatically to the candidate's seafarer profile after satisfactory completion of these classes".  
Para 13 (vii) is to be read as "The assessment / generation of admit card will continue to be through e-pariksha system".
- There are no changes in other requirements.

5. This is issued with the approval of the Director General of Shipping and Ex-officio Additional Secretary to the Government of India.
