	File No: 7-NT(2)/2009-B	Date : 13.12.2017

The Directorate has received queries with regard to assessment of candidates for 2M (FG) exams who do not have the required percentage in Physics, Chemistry & Mathematics subjects [i.e. 55% or 60% as applicable] in their 12th standard [10+2] examinations conducted by applicable board, due to which they have appeared in the examination or part of the examination to improve their percentage [i.e. improvement examinations].

2. In this context, it is clarified that the eligibility requirements for candidates to join pre sea courses is 55% or 60% [as applicable] in 12th standard [10+2] examination, [as stipulated in section II/1 of TEAP Part A]. The said section is however silent on provisions to deal with the candidates who have appeared in improvement examinations to improve their percentage in the respective subjects.

3. The matter has been carefully examined and it is clarified as follows :-

3.1 All candidates who appear in improvement examination are required to pass in all the subjects of the improvement examination in which they appear.

In such case, the result of the earlier attempt of the candidate in the board examination will only be considered.
- 3.3 In case the candidate passes in all the subjects of the improvement examinations, the highest marks scored in each subject of both the examinations can be considered for calculating the percentage.
4. This is issued with the approval of Chief Examiner of Master and Mates.
