

SECRETARY GENERAL'S ROUND TABLE MEETING WITH CEOs **RENEWABLE ENERGY PRODUCERS IN INDIA**

Secretary General Mr. Arsenio Dominguez, alongside Shri Shyam Jagannathan, Director General of Shipping, and Shri Ajith Sukumaran, Chief Surveyor, engaged in roundtable discussions with CEOs of Indian renewable energy producers from India.

The dialogue highlighted India's achievement of 200 GW in renewable capacity, aiming for 500 GW by 2030, setting the stage to become a key supplier of green hydrogen derivatives like green ammonia. The meeting focused on India's competitive advantages in low-cost solar power and robust electrolyzer production. The leaders emphasized India's readiness to meet global demand for zero-net-zero (ZNZ) fuels, underlining the importance of IMO's mid-term measures and stable financial incentives to accelerate the energy transition.
