

## Engineering Circular No. 110/2009

NO: ENG/MARPOL-BUNKER-6(64)/07

Dated 13.11.2009

Subject:- Additional Guidelines to Bunker Suppliers who are engaged in supply of bunkers to ship, in compliance with the requirement specified in Regulation 18 of MARPOL 73/78, Annex 'I, to be read with DGS Circulars : Engineering Circular NO.45,48,50,53,58,68 and 109.

All existing "bunker suppliers" registered with the Directorate applying for renewal and those who intend to register for the first time as a "bunker supplier" for supplying bunker to ships, are required to submit following additional documentary evidence for processing of their applications for formal registration as a "bunker supplier" with the Directorate :-

- i) List of companies to whom supplied bunkers in the past, if any:
- ii) Necessary approval from authorized local bodies, State Government and other such relevant authorities as may be applicable, including the details of storage facilities and associated licences, if any
- iii) Proof of office premises such as registered lease/ownership documents, etc.
- iv) An Undertaking stating that, ' In case of wrong supply of bunker fuel to ships, i.e. bunker supplies not conforming to the specifications as mentioned in Bunker Delivery Note (BDN),

We the bunker supplier M/s

Address

Undertake that we shall bear all the losses incurred by the ship-owner /company and shall abide by the final decision of the Directorate in this regard with respect to cancellation /suspension of registration as a bunker supplier'

2. It may be noted that a company is required to possess a valid Bunker supplier licence issued by the Directorate General of Shipping (DGS), in order to supply bunkers to vessels in any port of Indian using its own bunker delivery documents.

3. All concerned are hereby advised to follow the above instructions strictly so that delay in processing of their registration as a "bunker supplier" may be avoided.

This issues with the approval of the Chief Surveyor with the Govt. of India-cum Addl. DG(Eng).
